 DEFENDANTS,

AFFIDAVIT

1. My name is Sheila Ragland
2. I am the mother of Mario Clark
3. My son Mario was killed by the Jackson, Mississippi police department on February 14, 2019
4. My former attorney claimed she had a conflict of interest with the Jackson Mississippi police department and she could not continue in my case.
5. Since the time she withdrew in late 2022 I have had a very hard time getting a new attorney. I have tried as best as my age and my health will allow.
6. Many attorneys I have talked to are unwilling to go up against the Jackson, Mississippi police department. It has been very hard to find a lawyer.
7. I need lawyers who are not afraid and will help me stand up for justice for my son.
8. I have now found those attorneys and I am happy.

9. I have done the best I can, according to my age and physical condition. I know nothing about court discovery or experts. I know nothing about fighting a case against this City. But I do want justice for my son Mario.

Under the penalty of perjury
